

## Sponsoring the congress

The congress support actions entitle you to free registration.

### • Sponsoring actions:

Standard sponsoring: logo on the program and on all the communication tools of the congress, link to the company on the website, display during the congress, free registration of a representative of the company.

..... 2000 euros

Prize for the Best Poster Contest: the name of the company is given at the price, and a representative of the company gives the prize itself.

.....500 euros

### • Business and scientific publisher's presentation:

Poster

..... 800 euros

Companies having a poster will have the opportunity to present their activity to all participants, just after the morning plenary sessions. The time allotted to each, of the order of 5 minutes, will depend on the number of companies. People will have the possibility to discuss with the companies during the afternoon poster sessions.

All presentations will be made with zoom.
